

The WEU Assembly Internship programme

Twice a year, the Assembly of WEU – whose seat is in Paris – offers 8 undergraduates or graduates the opportunity of a 6-month internship programme. The ‘stagiaires’ are attached to one of the following Committees / Departments:

- Political Committee
- Defence Committee
- Technological & Aerospace Committee
- Parliamentary and Public Relations Committee

- Press Service
- Research Office
- Documentation Service

Interns primarily assist with research for and the drafting of the Assembly’s reports and work on a wide range of subjects usually in relation to European Security and Defence issues. In addition, interns have the chance to attend Committee meetings as well as the Assembly’s Plenary Sessions held twice a year in June and in December.

The internship offers valuable experience and understanding of the daily work of an International Organisation and provides an in-depth look into European affairs and government policies.
